BRIEF ABSTRACT OF LETTER.

Forwards 8 copys of a letter from the Secy. Edn. Com (No. 3151 dd 9.5.15) subg. rules approved by the Com: for making the grants, and requests sanction thereto.

NOTES AND ORDERS.

A rule similar to rule 8 seems necessary in regard to grants made by the Edn. Com. itself.

3. Under the first order, the grants shall have force only for 6 months. This is repeated in the rules. Perhaps the rules may provide for a report being sent to the Govt. in all cases of sanction of grants either by a District Committee or the Central Committee to enable the Govt. Dept. to take necessary steps for inspection &c. This is provided for in the order but perhaps may be repeated in the rules also.

4. 30/5/16. I think to make the rules strictly conform to the Spirit of the G.O. some alterations are required. I have made them in pencil in the draft rules & my reasons are as follows in brief.

(1) rule I I think girls' schools cannot be omitted. The G.O. after specifically stating that the grant is made for starting classes for Spl instruction, outside the regular work of the Dept. Such girls schools are not of this class. In the latter, education is usually given upon lines not altogether suitable for girls schools are included

& for such the sd grant may be made.

(2) Rule 3 & 4. all leave grant shall be entitled, leave accrued up [illegible] (d) 1 yr. Leave 9:0, after the ending of this term of the initial grant, the entitlement shall be taken over & the deficit cleared. The suspension during 6 months & this a fairly long period.

(3) Rule (6) the allowance suspended & we are in accord with the above remarks -

(4) Rule 8. The addition suspension & Rule 9 needs [illegible] seem very necessary.
